

The Climate Initiative

Air Quality Action Project Program Contract Agreements

- Complete an **action project** related to the air quality data gathered.
- Submit a **1-2 page metrics report** on the air quality data gathered and what impacts the action project resulted in, both environmentally and socially.
- Students to create **a blog** for The Climate Initiative's website about the action project and their experience.
- Students to sign up for The Climate Initiative's **Ambassador Program** and share the team blog on TCI's Mobilize community page.
- Submit a **Story of Change** to The Climate Initiative for our annual Changemaker Awards Competition.
- Complete a **survey** upon completion of the Air Quality Action Project Program
